Puerto Rico Medicaid Regulations and Guidance

Puerto Rico Medicaid policy excludes transgender-related health care.

Notes:

Hormones are covered, but surgery is excluded.

Drugs and hormones that are part of the [ASES drug formulary](#) are available for gender dysphoria treatments. See Michael Lavers, [Puerto Rico Medicaid program now covers transition-related health care](#), Washington Blade (Oct. 15, 2020).

The [Government Health Insurance Plan \(MI Salud\)](#) excludes "Procedures for sex changes, including hospitalizations and complications."
