World Professional Association for Transgender Health

About the organization:

The World Professional Association for Transgender Health (WPATH) is an international, interdisciplinary, professional association devoted to the understanding and treatment of individuals with Gender Dysphoria (GD). Founded in 1979, and currently with over 1500 medical, mental health, social scientist, and legal professional members, all of whom are engaged in clinical practice and/or research that affects the lives of transgender and transsexual people, WPATH is the oldest professional association in the world that continuously has been concerned with this clinical specialty.

Recognized by the [American Medical Association](#) as "leading international, interdisciplinary professional organization devoted to the understanding and treatment of gender identity disorders," WPATH issues the widely followed *Standards of Care for the Health of Transsexual, Transgender, and Gender Nonconforming People*.
